Dear New Patient,

We would like to take this opportunity to welcome you as a patient and to thank you for choosing Athena Urology.

In order for us to better serve you, please be informed that our office is undergoing a transition to an Electronic Medical Record. The enclosed forms need to be completed and returned to our office prior to the day of your appointment. If you are unable to complete these forms prior to your appointment, please arrive an hour early. If you have completed the forms, but were unable to return them, please arrive 20 minutes early. Make sure a referral has been received by us prior to your visit if one is required.

Our goal is to run an efficient office with little patient wait time; therefore we need your cooperation in expediting these forms back to us. They may be mailed, faxed, scanned and emailed or completed on our website below.

Please note that even with these measures taken, it is still possible to have a wait time and thank you for your patience.

Please feel free to contact our office should you have any concerns.

Thank you,
Athena Urology Associates
